

Teacher Appreciation Week 2017

R-LDCC families treated the teachers very generously, with notes of appreciation, and donations of collage materials & dress-up clothes.

One day, they brought in sweets (candy, cookies, fruit and other snacks) for the sweet teachers.

Lunch from SaladWorks is always a big hit!

And the "big gift" was a new couch for the teachers' lounge! The old one had seen better days—Leanne wouldn't even sit on it—and the new one is quite comfy.

Thanks, families! It's nice to be appreciated!!
